

SealDeal

SealDeal is a unique, simple rental scheme where one, low weekly payment covers:

- A 3040 with a choice of heat plate sizes
- All repairs* and maintenance i.e. no repair bills, EVER!
- An immediate replacement - you will always have a working machine
- Carriage of machine to and from Creative Transfers
- Zero capital outlay - improves cash-flow
- Low admin - just one payment quarterly, half-yearly or annually
- No long term commitment - minimum term is just 3 months
- Extremely robust - gives many years of faithful service
- The three critical heat seal parameters of time, temperature and pressure are all fully and easily adjustable
- Three sizes of easily interchangeable base to tackle all sizes of jobs
- Failsafe lock-outs to aid correct application
- Swing head provides the operator with a full view of the working area to ease positioning of the decoration return to base service and repair system
- Loan machines available to keep you working whilst yours is serviced
- Digital display unit keeps you in control

13x13 Inch = £15.50 per week

12x8 Inch = £14.50 per week
